

OZAUKEEMASTER GARDENER VOLUNTEER GRANT PROGRAM GUIDELINES 2020 APPLICATION

Application Introduction

The Ozaukee Master Gardener Volunteer (MGV) organization is dedicated to providing ongoing education opportunities to any Ozaukee MGV in good standing. As members of the Wisconsin Master Gardener program our mission is to provide unbiased, research based horticultural information to the citizens of Wisconsin through MGV's.

As MGV's we receive training in horticulture through the University of Wisconsin Extension. In return for this training, we are required to volunteer in UW Extension horticulture programs and projects that enhance our local communities. In addition, we are required to continue our education through classes, presentations, and workshops.

To support this initiative, Ozaukee MGV's, through the MGV Education Committee, will award one or more grants (based on our available funds) to any Ozaukee MGV seeking to attend a Local, State, Regional or National MGV conference or seminar or an approved non-Master Gardener event.
